

**Product overview**

Batteries for Marine and Leisure

**Equipment Li-Ion EV3800S/36**

|                                |               |
|--------------------------------|---------------|
| Part number                    | EV3800S/36    |
| Technology                     | Li-Ion        |
| EAN/GTIN                       | 3661024038010 |
| Voltage                        | 36 V          |
| Capacity                       | 100.0 Ah      |
| Watt hour                      | 3800 Wh       |
| Length                         | 520 mm        |
| Width                          | 269 mm        |
| Height                         | 221 mm        |
| Box size                       | H52           |
| Polarity                       | ETN 4         |
| Terminal Type                  | Female M8     |
| Hold Down                      | B0            |
| Weights (subject of variation) | 35.50 kg      |
