

## Product overview

Batteries for Marine and Leisure

### Equipment GEL ES650

|                                |               |
|--------------------------------|---------------|
| Part number                    | ES650         |
| Technology                     | GEL           |
| EAN/GTIN                       | 3661024035842 |
| Voltage                        | 12 V          |
| Capacity                       | 56.0 Ah       |
| Watt hour                      | 650 Wh        |
| Length                         | 278 mm        |
| Width                          | 175 mm        |
| Height                         | 190 mm        |
| Box size                       | L03           |
| Polarity                       | ETN 0         |
| Terminal Type                  | EN taper post |
| Hold Down                      | B13           |
| Weights (subject of variation) | 20.80 kg      |
