

## Product overview

Batteries for Marine and Leisure

### Maxxima TX900

|                                   |                             |
|-----------------------------------|-----------------------------|
| Part number                       | TX900                       |
| Technology                        | AGM                         |
| EAN/GTIN                          | 3661024056588               |
| Voltage                           | 12 V                        |
| Capacity                          | 50.0 Ah                     |
| CCA                               | 800 A                       |
| Length                            | 260 mm                      |
| Width                             | 173 mm                      |
| Height                            | 206 mm                      |
| Box size                          | G34                         |
| Polarity                          | ETN 9                       |
| Terminal Type                     | SAE S 3/8" side<br>Terminal |
| Hold Down                         | B7                          |
| Weights (subject of<br>variation) | 17.90 kg                    |

#### Polarity

#### Terminal Type

3/8 - 16  
THREAD DEPTH  
(POS AND NEG)

#### Hold Down
