

Batteries for Marine and Leisure

Polarity

The top diagram shows the battery pack assembly with a '+' sign on the left and a '-' sign on the right, indicating the positive and negative terminals. The pack consists of two main rectangular sections with internal components and a central diamond-shaped feature.

Terminal Type

The bottom diagram shows the terminal types for the positive and negative terminals. The positive terminal is labeled with dimensions: 3.8 - 16UNC, Ø17.5, and 17. The negative terminal is labeled with dimensions: 5.16 - 16UNC and Ø15.9.
