## Batteries for Cars

## Formula FB440

| Part number                    | FB440         | Polarity                                    |
|--------------------------------|---------------|---|
| Technology                     | Flooded       |   |
| EAN/GTIN                       | 3661024044509 |   |
| Voltage                        | 12 V          |   |
| Capacity                       | 44.0 Ah       |   |
| CCA                            | 400 A         |   |
| Length                         | 175 mm        |   |
| Width                          | 175 mm        |   |
| Height                         | 190 mm        | Terminal Type                               |
| Box size                       | L00           |   |
| Polarity                       | ETN 0         | 17 17 17                                    |
| Terminal Type                  | EN taper post | Ø19.5 Ø179                                  |
| Hold Down                      | B13           | 5 5 5179                                    |
| Weights (subject of variation) | 10.70 kg      |   |
|                                |               | Positive Terminal Negative Terminal         |
|                                |               | PositiveTerminal NegativeTerminal Hold Down |
|                                |               | Hold Down                                   |
