## Batteries for Cars

## **Excell EB454**

| Part number         | EB454         | Polarity                    |               |
|---------------------|---------------|-----------------------------|---------------|
| Technology          | Flooded       |                             |               |
| EAN/GTIN            | 3661024034371 |                             |               |
| Voltage             | 12 V          |                             |               |
| Capacity            | 45 Ah         |                             | (+)           |
| CCA                 | 330 A         |                             |               |
| Length              | 237 mm        | Terminal Type               |               |
| Width               | 127 mm        |                             | T             |
| Height              | 227 mm        |                             | 17            |
| Box size            | B24           |                             |               |
| Polarity            | ETN 0         | Ø19.5 Ø179                  | Э             |
| Terminal Type       | EN taper post | $\leftarrow$                |               |
| Hold Down           | B0            |                             | $\rightarrow$ |
| Weights (subject of | 11.40 kg      |                             | )             |
| variation)          |               | PositiveTerminal NegativeTe | erminal       |
|                     |               | Hold Down                   |               |
|                     |               |                             | 1             |
