

## **Product overview**

Batteries for Trucks, Buses, Construction, Agriculture

## **PowerPRO SF2353**

| Part number                    | SF2353        | Polarity                            |  |
|--------------------------------|---------------|-------------------------------------|--|
| Technology                     | Flooded       | ♣ [                                 |  |
| EAN/GTIN                       | 3661024065320 | í ♥î                                |  |
| Voltage                        | 12 V          |                                     |  |
| Capacity                       | 235.0 Ah      | Ľ⊘ [                                |  |
| CCA                            | 1300 A        |                                     |  |
| Length                         | 518 mm        | Terminal Type                       |  |
| Width                          | 274 mm        |                                     |  |
| Height                         | 240 mm        | 11 11                               |  |
| Box size                       | D06           |                                     |  |
| Polarity                       | ETN 3         | Ø19.5 Ø179                          |  |
| Terminal Type                  | EN taper post | $\leftarrow$                        |  |
| Hold Down                      | B0            |                                     |  |
| Weights (subject of variation) | 56.30 kg      |                                     |  |
| variationy                     |               | Positive Terminal Negative Terminal |  |
|                                |               | Hold Down                           |  |
|                                |               |                                     |  |
